WORKSHOP SESSIONS

2026 Upcoming Workshop

In 2026, Macbek will be conducting the below Workshop sessions with delegates from the Nigerian Upstream Petroleum Regulatory Commission (NUPRC), and Nigerian National Petroleum Company Limited (NNPC).

COURSE TITLE

2026 WORKSHOP ON REGULATORY EXCELLENCE, PRODUCTION OPTIMIZATION & SUSTAINABLE DEVELOPMENT IN NIGERIA'S UPSTREAM PETROLEUM SECTOR

This workshop focuses on improving regulatory compliance and operational excellence in Nigeria's upstream petroleum sector.

It aims to enhance oil and gas production efficiency and optimization while promoting sustainable industry practices. It also supports professionals in balancing regulatory requirements, production growth and sustainable development.

2026 Upcoming Workshop

COURSE TITLE

2026 TECHNICAL OIL & GAS (E&P) WORKSHOP - FROM FORECAST TO INTELLIGENT BUDGETING: LEVERAGING AI TO ENHANCE COST ASSURANCE, INVESTMENT DECISION-MAKING AND PERFORMANCE MANAGEMENT FOR JOINT VENTURES (JVs)

This workshop focuses on using AI to improve forecasting, budgeting and cost assurance in Oil & Gas Joint Ventures. It helps participants make better investment decisions and manage costs more effectively.

It also enhances performance monitoring, transparency and overall JV decision-making.

All our workshops are hosted Locally, Internationally and Virtually. We deliver these workshops based on the interest of our clients.

OUR COMMITMENT

Health, Safety & Environment

At Macbek, we re-emphasize the need for employees of every level to portray a positive attitude towards Safety. We accept both legal and moral obligations towards our workforce, and we will continue to maintain, to the best of our ability, a Safe and Healthy work environment and culture for all of our employees.

Our commitment, is to ensure that we maintain safe-systems of work, provide training where necessary and competent supervision. Our organization is fully committed to the optimum realization of the global concept of Zero Discharge option with respect to the environment.

HEALTH	SAFETY	ENVIRONMENT
Safe and Healthy work environment and culture	Safe-systems of work, training and competent supervision	Zero Discharge option
